## NEED NEW MEMBERS FOR YOUR CLUB?? ???

Does your group struggle to get numbers for a bus tour???? We may have the answer you have been looking for. Our Travel Club has a few thousand members located all over Perth and might be able to help. Day Tours listed in this brochure are based on a **minimum of 30 paying passengers**. A surcharge of **\$5 per person applies for groups sizes of 20 to 29 passengers**. This surcharge can be waived if you're willing to share a few of your seats with our Travel Club members. I am a big believer in the, I help you and you help me scenario??? At the end of the day you need membership for your club and I need passengers on my coach? If your club is likely to struggle with numbers I can certainly assist you and you can help me and my valued customers at the same time.

### HOW DOES IT WORK

Allow me to promote your club and your tour and give me a minimum of 10 seats on our 45 seat coach for our Travel Club members. You will benefit from our extensive advertising and also the opportunity to secure new members for your Club. **By nominating this method when you book, you will not have to pay the \$5 per person surcharge**. If you only get 20 paying passengers that will be all you have to pay for based on the advertised price listed in this our group brochure. It will be up to Club 55 to endeavour to sell the extra seats. If we don't sell the additional seats then that is our problem and not yours. If we do sell them our members receive a great day out and maybe an opportunity to meet and make new friends and maybe join a club that offers them new friendships and interests. Now that's what I call a **WIN, WIN** situation. If you need more seats you simply let us know and we will release any of the unsold seats to your club members. Please contact our office to discuss this option further. **It could be the answer to recruiting new members for your club.**

### WE DO ALL THE HARD WORK FOR YOU.

All tours are designed to be conducted at an enjoyable leisurely pace. Sit back and relax and leave everything to us. When you book your tour with us, we will supply you with all the promotional information that you need for your club's notice boards and newsletters and also supply written confirmation and passenger lists for you. We strongly recommend that where possible you book your outing at least **3 to 6 months in advance**. This will ensure that you secure the dates that you require and that venues are available and will also assist in giving you plenty of time to promote the tour to your members.

### MORNING TEA

Our standard morning tea, which is included on all of our tours, provides fruit cake, lamingtons, assorted biscuits and tea or coffee served in china mugs and not plastic cups.

### CONFIRMATION OF BOOKING

It is your responsibility to notify us of your passenger numbers a minimum of seven days prior to departure. Venues, morning tea, lunch and vehicles will be based on this number. In the event of minor changes we need a minimum of **24 hours' notice**. No changes will be accepted after this period and the numbers you have advised us will be the numbers charged for on the day. **Refunds will not be given for passengers that fail to turn up on the day.**
